Hello, I'm

GITESH KUMAR

FRONTEND DEVELOPER

+91 8219569378 | giteshneg5@gmail.com | Himachal Pradesh, IN | GitHub | Portfolio | LinkedIn

About Me 01

Detail-oriented Frontend Developer with 1+ year of hands-on experience in freelance and client projects, specializing in React.js, JavaScript, Tailwind CSS, and responsive web development. Experienced in building production-ready, high-performance websites ranging from business platforms to e-commerce solutions. Skilled in leveraging AI tools such as ChatGPT, Claude, and Antigravity to accelerate development, troubleshoot issues, generate solutions, and improve development workflows. Strong focus on clean, maintainable code, intuitive UI/UX, and pixel-perfect implementation. Passionate about learning modern technologies and contributing to collaborative development teams.
